Re: Master Metals Administrative Order on Consent

Gentlemen:

At long last, you will find enclosed the Administrative Order on Consent for the Master Metals site. As my e-mail to you all on May 29th indicated, this Order has been approved by the Department of Justice. Please have your clients execute the document and return it to me by June 24th. If you do not return the signed AOC by June 24th, and are unable to persuade EPA that an extension of time is warranted, EPA will consider its other enforcement options for this site.

Please call me at 312-353-1029 if you have any questions or concerns.

Very truly yours,

Susan W. Prout
Associate Regional Counsel
